Sequenza di montaggio sistema Easy-on | Easy-on system assembly sequence

1

Fissare la staffa in alluminio (art. 2441/157) alle due estremità della porta.

Fix the aluminium bracket (art. 2441/157) at both ends of the door.

2

Fissare in fondo alle staffe in alluminio il blocchetto di aggancio art. 2448.

Fix the hooking block art. 2448 at the bottom of the aluminium brackets.

3

Dopo aver inserito i carrelli nel binario posizionare la porta in corrispondenza dello stesso ed inserire le slitte nelle staffe spingendole fino al click di aggancio avvenuto.

After putting the carriages into the rail, place the door at the rail and insert the slides into the brackets, pushing them until the hooking click.

4

Regolare la perpendicolarità agendo con l'utensile indicato art 2204

Adjust the perpendicularity using the indicated tool art 2204

5

Per l'eventuale sganciamento del carrello, inserire l'apposito attrezzo a corredo (art. 244/C) come indicato nella figura.

For an eventual unhooking of the carriage, please insert the proper tool (art. 244/C) as indicated in the picture.
